VCAT HOSTING INFORMATIONAL MEETING ON JAN. 23

VALLEJO – Vallejo Community Access Television (VCAT) will be holding an informational meeting at 6:30 p.m. on Monday, January 23, 2006.

The meeting will take place in the Joseph Room of the JFK Library, 505 Santa Clara Street, Vallejo.

"This meeting will provide an opportunity for residents to learn what VCAT is all about," said Clayton Leander, Executive Director of VCAT. "The goal of this meeting is to inform people about our mission and how VCAT will serve the community."

The agenda for the meeting includes information on the community bulletin board; use of facilities and training; getting programs on the air; and volunteer opportunities.

"We're getting very close to being operational, and we want to provide an update on our activities as well as get people up to speed on the use of VCAT facilities," Leander said. "It's an exciting time for Vallejo."

VCAT was selected by the City Council to serve as the nonprofit agency to operate the City's community access channel, which will be Channel 27. The City and the Vallejo City Unified School District reached and agreement to share space at Jesse Bethel High School for use as a studio and VCAT offices. Construction is near completion on the studio, and equipment and other operational items are being purchased and installed.
