9th Annual Harley-Davidson Police Motorcycle Competitive Training Day

Saturday Sept. 19th, 2009

OPEN TO ALL POLICE MOTORS

SOLANO COUNTY FAIRGROUNDS

The Vallejo Police Department Traffic Division is again hosting the Harley-Davidson Police Motorcycle Competitive Training Day at the Solano County Fairgrounds. *This event is free for spectators,* so come on down and watch Police Motorcycle Officers from California and Nevada challenge themselves through a competitive riding course at the fairgrounds in Vallejo. And just like last year, the event is open to *all types* of Police Motorcycles. You'll see BMW's, Honda's and Kawasaki's ride against the fan favorite..... Harley-Davidson's.

At 9:00am Saturday morning, Officers will begin their day riding through the training patterns to enhance the skills needed for Law Enforcement riding. Then at 11:00am, the Competitive Challenge begins. Identical patterns are set up side by side creating a drag race effect for the riders. Tennis balls rest atop each cone making up the pattern. Knock a tennis ball off a cone and a time penalty is added to the rider. After several runs, the Officer with the fastest time is declared the winner.

Top riders receive the perpetual winning trophies to take back to their Departments. Last year, Officer Heylen of the Milpitas Police Department, won the Individual Trophy riding a Kawasaki Police Motorcycle. Officers Hill and Carnahan of the Fairfield Police Department won the Team Trophy riding Harley-Davidson Police Motorcycles.

COMPETITOR'S: INFORMATION, REGISTRATION AND PATTERNS ARE AVAILABLE ONLINE AT
