VALLEJO FERRY TO PROVIDE SERVICE FOR FRIDAY GIANTS GAMES

VALLEJO – Beginning Friday, April 11, 2003 the City of Vallejo and Baylink Ferry will be offering ferry service for Friday night San Francisco Giants games at SBC Pacific Bell Park.

First suggested by Council member Dan Donahue, Vallejo ferryboats will continue their regular runs to Pier 1 in San Francisco. One ferryboat will be available at Pacific Bell Park for the return trip to Vallejo at 11 p.m. or 20 minutes after the last out of that evening's game – whichever occurs first.

Two backup busses will be available the first Friday night, and adjustments to the level of service will be made following the first Friday night game.

“It’s on a trial basis,” Donahue said, “We need to fill these boats every Friday home game. I don’t think we’re going to have a problem.”

Regularly scheduled ferryboats depart the Vallejo Ferry Terminal at 4:30 p.m. and 5:30 p.m. daily, arriving at Pier 1 approximately 55 minutes later. SBC Pacific Bell Park is a short 20-minute walk from Pier 1.

Adult one-way fares are \$9.50, while a roundtrip Baylink Daypass ticket to and from San Francisco is \$15.
