## **MAJOR STREET PAVING OPERATIONS MAY CAUSE DELAYS**

VALLEJO – On Tuesday, February 17th, O.C. Jones, Inc. will start paving operations on the following City of Vallejo streets:

- Rollingwood Drive between Georgia Street and Tennessee Street
- Oakwood Avenue between Georgia Street and Springs Road

The paving project will consist of removing damaged and deteriorated pavement, pavement repairs, and placing a new final lift of asphalt. Weather and air temperatures permitting, the project should take approximately three to four weeks, including pavement striping.

The work will impact all lanes and the intersections of Rollingwood and Georgia, Rollingwood and Springs Road, Rollingwood and Tennessee, Oakwood and Georgia, and Oakwood and Springs Road. Lane closures and delays can be expected. The public is asked to adjust travel routes and travel times accordingly. If residents absolutely have to drive these routes during this construction period, please drive slowly and safely.

Questions can be directed to Royce Cunningham at 553-7241 or Allan Panganiban at 648-4686.
