## ONE LANE OF TRAFFIC AVAILABLE ON GLEN COVE PARKWAY DURING ROADWAY REPAIRS

VALLEJO – Traffic on Glen Cove Parkway between South Regatta Drive and Clearview Drive will be reduced to one lane the week of March 8-12 so the roadway can be repaired.

A flag person will be on hand to direct traffic. While the roadwork is only expected to take one day, weather and other factors might cause a delay in the project.

Any questions can be directed to Dennis Kocher @ 707 648-4430.
