FIRE DEPARTMENT TO OFFER FREE CHILD SAFETY SEAT INSPECTION

VALLEJO - The Vallejo Fire Department from 2-4 p.m. on Friday, April 23 will sponsor a child safety seat inspection event at Fire Station 27, 1585 Ascot Court, off Columbus Parkway.

Deputy Chief Russ Sherman says the reason for the event is to ensure that child safety seats are in good proper working condition. "You just can't take child safety seats for granted."

Technicians will inform parents whether their current car seat is appropriate or could be on various recall lists. Additionally, officers will instruct parents on proper ways to install a child safety seat.

Appointments to inspect child safety seat are recommended and can be made by calling 648-4526.
