

VALLEJO ARMED FORCES FAMILY SUPPORT GROUP
Vallejo, California

The Vallejo Armed Forces Family Support Group, in association with the Salvation Army and operating under their nonprofit organizational guidelines, is trying to put together boxes of necessities to send to our troops.

It would be great if these men and women overseas would receive some packages in the mail filled with useful things from home. When watching the news and seeing what our men and women are giving for us, it seems appropriate to return something to them.

If your business can donate some of the following items, we know the troops would really appreciate it. This will show the troops how much the families in Vallejo are thinking of them. We are also requesting monetary donations to be used for the purchase of items, shipping and handling of care packages, and other expenses as they arise. For donations and contributions, please contact Terri Abad at work (707) 643-4742 or at home (707) 552-8471.

Thank you for supporting our troops with your generous donation.

Ideas for donations include:

| | | |
