

The Cities of Vallejo and Benicia present

Spring 2006 Water-Wise Landscaping Workshop Series

6:30-8:30 p.m.
Mondays or Wednesdays
Two locations

WATER-WISE BASICS

May 1 – JFK Library, Joseph Room, Vallejo

May 3 – Heritage Hall, Benicia

Learn the basic principals of water-wise landscaping. Hands-on demonstrations and displays help you see the importance of soil type, amendments, mulching and basic design elements

IRRIGATION DESIGN

May 8 – JFK Library, Joseph Room, Vallejo

May 10 – Heritage Hall, Benicia

Solve the mystery of types of irrigation, strategies for how to use water wisely, and see the latest components and gadgets.

WATER-WISE PLANT SELECTION

May 15 – JFK Library, Joseph Room, Vallejo

May 17 – Heritage Hall, Benicia

See how to select the perfect drought-tolerant plants for your yard. Trees, shrubs, perennials, lawns and more on display!

Workshops are Free!

Come to one or two – or the entire series at either location.

Water-saving tools, literature, door prizes!

To reserve your space call
648-4470 for Vallejo
746-4792 for Benicia

Special Thanks to UCCC Master Gardeners,
Benicia Community Garden, and the
Water conservation programs of
the Cities of Vallejo and Benicia.
