For over thirty-nine years, the Continentals of Omega Boys & Girls Club, Inc. has been at the forefront of providing youth development services to children and youth from disadvantaged economic, social and family environments.

During that time, more than 4,000 children and youth have entered the Club's program and over 1000 have entered college with the assistance of the Continentals of Omega Boys & Club, Inc.

The Club continues to provide quality after school and early evening programming for boys and girls ages 6 to 18. However because of the continued escalation of programming expenses, the Club is facing serious financial problems. Without additional support NOW we will be forced to cut back in our daily operations.

On November 10th, we are presenting our first Annual Crab Feed and Silent Auction. You can help by purchasing a ticket or sending a donation.

All donations are tax deductible.

Please email us at parents_advisory@yahoo.com or call (707) 643-1728 if you would like to purchase a ticket or send a donation.
