Lieutenant Jim O'Connell
Investigations Division

Home Invasion Robbery

On the evening of November 7, 2012, Darral Laviene, 26 year old San Pablo Resident and Dijon Campbell, 35 from Vallejo, were dropped off at a Vallejo hospital with serious injuries. Both men were uncooperative with Vallejo Police Detectives as to how they had been injured.

Vallejo Police was notified by a man that he had been the victim of a home invasion robbery in the 700 block of Pope Drive in Vallejo shortly before the men arrived at the hospital. Upon completing an investigation and interviews of Laviene and Campbell, they were both arrested for armed robbery. It was determined that the injuries sustained by the suspect occurred as the victim was defending his life from an armed assault. A third suspect in this case has been identified as Terrence Scott and a warrant has been issued for his arrest for armed robbery. He should be considered armed. The man pictured on the left is believed to be associated with the suspects and detectives would like to talk to him.

Any information should be forwarded to Det. Fabio Rodriguez 1-800-488-9383.
