PUBLIC NOTICE HOUSING AUTHORITY OF THE CITY OF VALLEJO REQUEST FOR PROPOSALS FOR SUPPORTIVE PERMANENT HOUSING AND HOMELESS SERVICES

On May 10, 2011, the Board of the Housing Authority of the City of Vallejo adopted a resolution allocating \$800,000 to permanent supportive housing for homeless families with children, and related services. The Board authorized the issuance of a Request for Proposals (RFP) to solicit applications for the development of a permanent supportive housing facility, with no less than 12 units, made available to homeless families with children; and for other necessary homeless services in Vallejo, which include, but are not limited to, use of a permanent address for homeless individuals; facilitation of a warm/cold shelter which provides emergency overnight shelter in instances where the national Weather Service predicts exceptionally hot or cold nights; facilitation of a nomadic shelter system, and development of a day-center.

If no feasible supportive permanent housing applications are received, the second priority will be a review of proposals supporting ongoing services for Vallejo's chronically homeless population. Services may include: outreach and referrals; access to counseling; mental and physical health services; Internet and computer training and services; mail and phone services; showers; access to hot/cold shelter, etc. Funding available for ongoing outreach and services for the chronically homeless population is limited to \$500,000, due to federal restrictions.

A copy of the RFP is available for public review at the following locations:
