**SUBJECT: Mare Island Causeway Western Approach Bridge  
Replacement Construction Project**

City of Vallejo is holding a public meeting for the Mare Island Causeway Western Approach Bridge Replacement Project.

City of Vallejo will briefly explain the necessity, detour, tentative schedule of project and answer questions. The project will consist of replacement of the existing bridge.

City of Vallejo anticipates that the Mare Island Causeway will be closed for Public traffic for approximately 4 to 6 months from late summer / winter 2013. The exact closure date and detour will be available after completing final design in summer 2013.

If you have any questions or need any additional information, please contact Srinivas Muktevi, Associate Civil Engineer at City of Vallejo [smuktevi@ci.vallejo.ca.us](mailto:smuktevi@ci.vallejo.ca.us)
