**7 AT-LARGE MEMBERS NEEDED FOR THE GENERAL PLAN WORKING GROUP (GPWG)**

The City of Vallejo is commencing an effort to comprehensively update the Vallejo General Plan. The General Plan is often described as the "constitution" that guides the development of a city. It will establish a vision for Vallejo's future, and the policies and implementation measures that will help the City achieve that vision. Public involvement and participation is a longstanding tradition in land use and planning issues, and is an essential function in the process of updating the City's long-range planning documents.

The City Council has formed a General Plan Working Group (GPWG) comprised of 15 members who will advise staff, the Planning Commission and the City Council on the comprehensive General Plan update.

The GPWG will consist of members from the Planning Commission, Architectural Heritage and Landmarks Commission, Housing and Redevelopment Commission, Design Review Board, Beautification Advisory and Code Enforcement Commission, the Economic Vitality Commission and 7 at-large members, appointed by the City Council.

Vallejo registered voters who are interested in serving on this working group are invited to submit an application and supplemental questionnaire for consideration.

**Applications must be received no later than Thursday, August 22, 2013.**
