HOME INVASION ROBBERY

Suspects impersonate P.G.&E. workers

On August 7, 2013 at 8:34 A.M. the Vallejo Police receive a report of a home invasion robbery that had just occurred in the 1400 block of Farrell Street.

Upon arrival responding officers discovered three residents who had been tied up and robbed and gun point. One of the victims was a 6 year old girl.

The suspects were wearing orange vests and had hard hats on their heads.

They knocked on the door and said they were with P.G.&E. and were let into the house by a resident. The suspects produced handguns and tied the residents up. They were in the house for approximately twenty minutes while they searched it. During the robbery one of the suspects "pistol whipped" the male adult victim. The suspects took household items and cash from the house.

The suspects were described as in their 30's and one was a black male and one was possibly Hispanic.

The suspects fled on foot out of the front door and were seen getting into a gold S.U.V. similar to a Cadillac Escalade.

The Vallejo Police are reminding the public to be leery of unplanned workers. They should check identification cards through a peep hole prior to opening the door for workers and report suspicious activity.

There is a Cash Reward offered by the Solano Crime Stoppers of up to 1,000 dollars for information that leads to the arrest of the suspects.
