# Residential burglary suspect apprehended

On September 5th at roughly 2:35 AM, Vallejo police officers responded to the 1400 block of Alabama Street on a report of a residential burglary. Officers met with 52 year old male victim who indicated that he left his home momentarily and went to a nearby convenience store. Upon returning home, he noticed that the garage door was standing wide open. He also noticed that his personal belongings had been moved and several items were missing from the garage. The victim then walked into the backyard of his residence and saw some of his personal belongings scattered about. Upon looking over his fence, the victim observed a suspect in possession of his personal belongings and sorting through the items. The victim verbally confronted the suspect at which point, the suspect fled on foot towards Tennessee Street.

Based on the description provided to the officers on scene, two other officers who were in the area, located a subject matching the description on Tennessee Street near Glenn in the area of the 7-11 convenience store. Officers quickly detained this subject and after conducting a thorough initial investigation, officers surmised that there was sufficient legal grounds to place this subject under arrest.

The arrested subject was later identified as Dakarai Berry a 30 year old Vallejo resident. He was determined to be on active probation out of Solano County for possession of stolen property and he was later booked into Solano County Jail for burglary, possession of stolen property and violation of probation.
