

**The Vallejo Fire Department
is seeking a**

Deputy Fire Chief

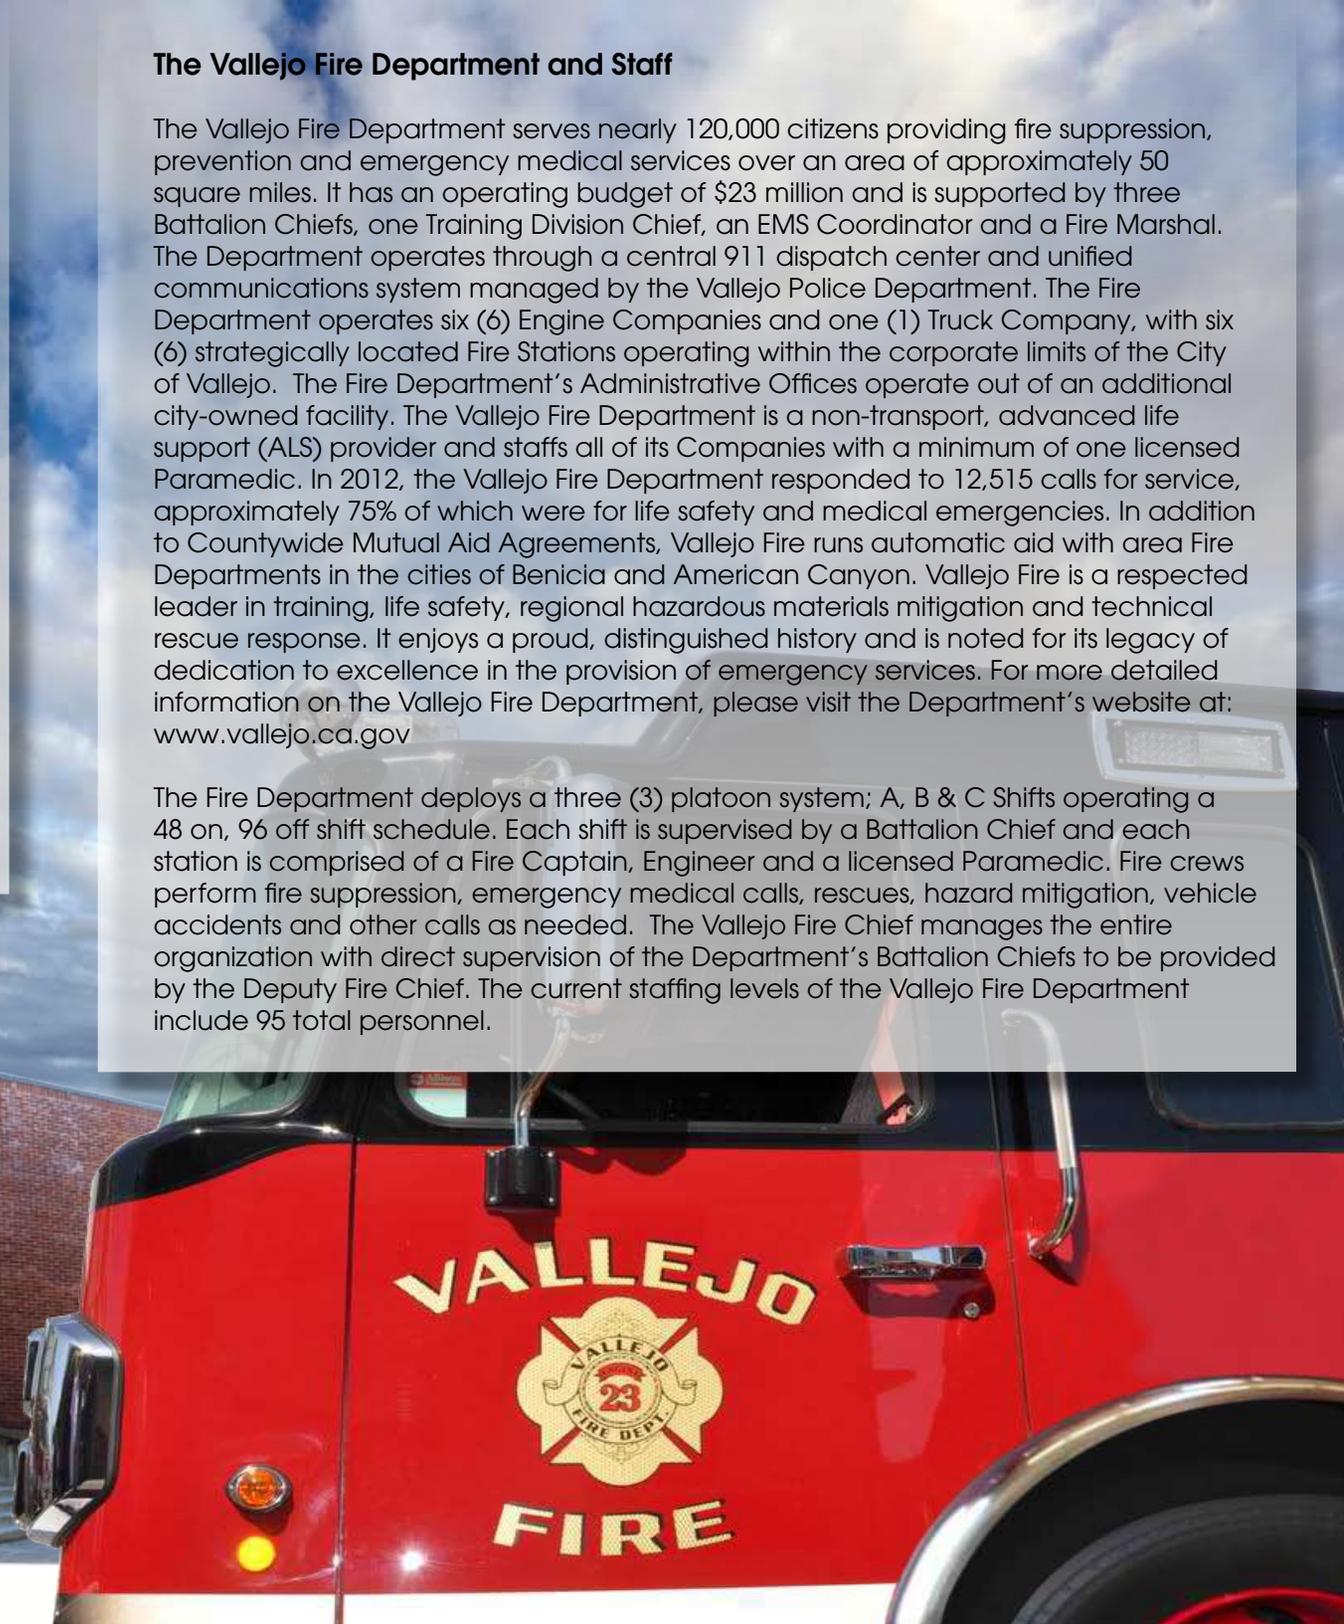

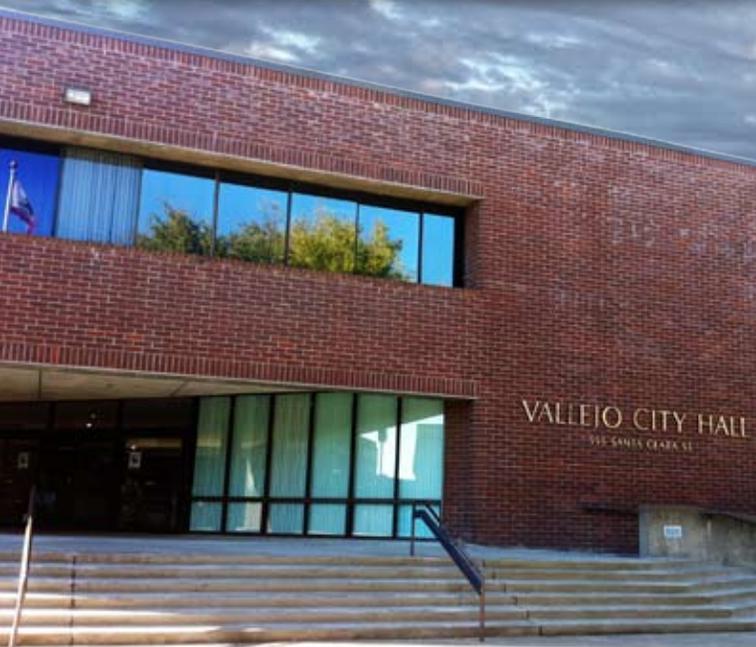

Mission Statement

“Our primary mission is to safely protect the lives and property of our citizens. We value customer service as the foundation of our organization. We consider the entire community part of our extended family and strive to ensure we treat them with respect and dignity.”

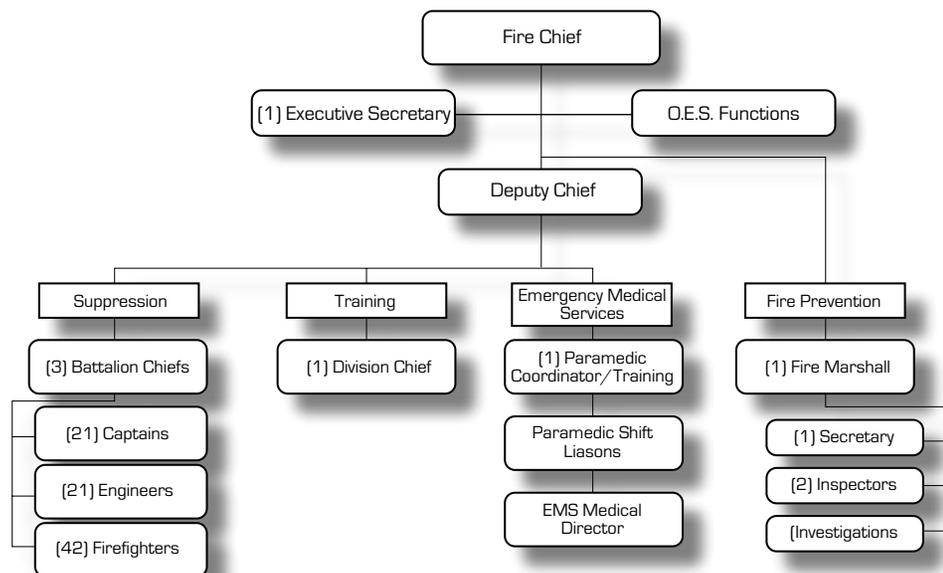

The Vallejo Fire Department and Staff

The Vallejo Fire Department serves nearly 120,000 citizens providing fire suppression, prevention and emergency medical services over an area of approximately 50 square miles. It has an operating budget of \$23 million and is supported by three Battalion Chiefs, one Training Division Chief, an EMS Coordinator and a Fire Marshal. The Department operates through a central 911 dispatch center and unified communications system managed by the Vallejo Police Department. The Fire Department operates six (6) Engine Companies and one (1) Truck Company, with six (6) strategically located Fire Stations operating within the corporate limits of the City of Vallejo. The Fire Department’s Administrative Offices operate out of an additional city-owned facility. The Vallejo Fire Department is a non-transport, advanced life support (ALS) provider and staffs all of its Companies with a minimum of one licensed Paramedic. In 2012, the Vallejo Fire Department responded to 12,515 calls for service, approximately 75% of which were for life safety and medical emergencies. In addition to Countywide Mutual Aid Agreements, Vallejo Fire runs automatic aid with area Fire Departments in the cities of Benicia and American Canyon. Vallejo Fire is a respected leader in training, life safety, regional hazardous materials mitigation and technical rescue response. It enjoys a proud, distinguished history and is noted for its legacy of dedication to excellence in the provision of emergency services. For more detailed information on the Vallejo Fire Department, please visit the Department’s website at: www.vallejo.ca.gov

The Fire Department deploys a three (3) platoon system; A, B & C Shifts operating a 48 on, 96 off shift schedule. Each shift is supervised by a Battalion Chief and each station is comprised of a Fire Captain, Engineer and a licensed Paramedic. Fire crews perform fire suppression, emergency medical calls, rescues, hazard mitigation, vehicle accidents and other calls as needed. The Vallejo Fire Chief manages the entire organization with direct supervision of the Department’s Battalion Chiefs to be provided by the Deputy Fire Chief. The current staffing levels of the Vallejo Fire Department include 95 total personnel.

The Vallejo Fire Department is currently organized as described below:

Opportunities the new Deputy Fire Chief will assist with are:

- Contributing to the on-going assessment of the organizational structure of the Fire Department to ensure effective administrative support, communication, policy and operational direction
- Participant in the development of the Fiscal Year 2013-2014 Fire Department budget and Capital Improvement Program
- Assist the City in its efforts to reorganize O.E.S. functions and responsibilities
- Lead the process of updating all departmental policies and procedures
- Monitoring and developing an operational analysis of the newly staffed Engine Company in downtown Vallejo

Minimum Qualifications

Candidates may qualify with a combination of education, training and experience with at least three years of full time employment in a Fire Department in a management or administrative capacity equivalent to the Battalion Chief rank or higher. The equivalent of an AA Degree from an accredited college or university with a major in Fire Science, Fire Management, Public Administration or a closely related field is required. A Bachelor's degree or advanced degree is highly desirable.

The “Ideal” Deputy Fire Chief For Vallejo

Vallejo seeks a seasoned emergency services executive who offers contemporary leadership skills and career experience to assist in the on-going analysis of the Department’s strengths/opportunities/challenges and, in conjunction with the Fire Chief, assists in the creation and implementation of a strong strategic vision for the Fire Department to support and pursue. This will require the assistance of a fire executive with vision who is motivated, self confident and positive. An individual with a strong command presence, whether on the fire ground as part of an incident command team or in the presence of department members on a routine basis, is a requirement of the position.

The ideal candidate will be an innovative self-starter who can inspire subordinates and will work hard to develop leaders at all levels within the organization. The successful candidate will also have the ability to create a work environment within the Department that nurtures participation and collaboration in the planning, implementation and problem-solving for the organization in a firm, but supportive way.

The “ideal” Deputy Fire Chief would also be someone who:

- Is a respected manager with high moral character and a reputation as a practitioner of the highest ethical standards who will serve as a role model within the Fire Department for integrity and work ethic.
- Is highly flexible and capable of handling multiple, complex and shifting priorities in a competent, composed and focused manner.
- Is an outstanding communicator, bringing a proven track record of composing and delivering clear, concise and highly professional oral and written reports.
- Is passionate about the organization and brings attention to detail, familiarity with all Fire Service-related records and reporting requirements, management of the budget within allocated funds, and assuring that required procedural rules and regulations are followed.
- Is astute in understanding the real costs of providing fire services and will assist in bringing a business approach to effective budgeting and cost recovery in today’s economic climate.

- Is a proponent of regionalization of disparate fire service activities and functions in order to gain greater efficiency and cost savings to the City of Vallejo - can play an important role in promoting the concept.
- Has the ability to build effective and productive relationships with the Local IAFF leadership; will be known as an active listener who views employees as valuable assets and nurtures mutual respect in labor/management relations.
- Will be a team player and collaborator with peers in other City Departments in order to meet the City’s mission and customer service objectives. Will be loyal to the City Manager and a contributing member of the City’s Executive Team and will not partition themselves off to only the needs of the Fire Department.

Reasons to Consider the Vallejo Deputy Fire Chief Opportunity

- * The citizens served by the Vallejo Fire Department are highly supportive and feel positive about the services they receive.
- * Much has already been achieved in assessing and improving the organizational structure of the Department in the previous six months that will provide the new Deputy Fire Chief an excellent foundation upon which to build.
- * The Vallejo Fire Department is viewed as a solid, progressive organization that is continuously developing and improving and enjoys an excellent reputation for high levels of customer service.
- * The San Francisco Bay Area and the region surrounding the City of Vallejo is a premium location to live, work and play.

Vallejo Today

Vallejo, home to 116,500 residents, is a San Francisco Bay Area city situated in Southern Solano County on San Pablo Bay. Located 32 miles northeast of San Francisco, residents and visitors enjoy the convenience of the City's access to Interstate Freeways 80 and 780/680, as well as its close proximity to the major wine producing valleys of Sonoma and Napa via State Highways 29 and 37. Vallejo could be described as a mid-sized city with a small-town feel but with urban sensibilities. Its historic downtown and landmark heritage and vintage housing districts are highly valued by the community. One of the city's strengths is its historic, multi-cultural diversity that is protective of its quality of life and proud of its distinct neighborhoods, master-planned communities and commercial development. The City provides residents and commuters excellent public transportation through the Solano Transit bus system (with BART and Amtrak connections) and the Baylink Ferry, which provides residents and commuters fast, comfortable and frequent ferry service to downtown San Francisco. Vallejo also enjoys a mild, Mediterranean climate year-round, complemented by the gentle breezes that arrive from twenty miles of scenic waterfront. Additional information about Vallejo can be found at the City's website, www.ci.vallejo.ca.us.

Vallejo covers over 53 square miles of land and waterway and is the home of historic Mare Island, a former naval shipyard that once was the largest ship construction facility in the world. Lennar Mare

Island has since transformed the South end of the island into a modern, vibrant and sophisticated mixed-use commercial district that features a town center, historic core and waterfront promenade. The Lennar Mare Island development offers office and industrial space that is capable of meeting most commercial requirements. An ample array of berth and dry dock areas also afford Mare Island the capability of accommodating many maritime uses. Four urban-style residential neighborhoods with more than 1,400 homes are planned. The Northern side of Mare Island is city-owned and slated for future development.

Vallejo provides many quality options for residents in the areas of education, health care, arts and culture and recreation. Vallejo is home to the California Maritime Academy, part of the California State University system, and the only maritime college in the Western United States. Touro University, with four colleges (Osteopathic Medicine, Health Sciences, Education and Pharmacy), is an expanding graduate education institution focusing on health careers and teacher preparation programs. Solano Community College is a 10 acre site in the Northgate area accommodating over 3000 students. Public Schools include the K-12 Vallejo City Unified School District that serves 17,000 students and Charter Schools that include the Mare Island Technology Academy and the K-8 Vallejo Charter School.

The Kaiser Permanente Medical Center is a full-service medical center with 350 physicians and nurse practitioners providing the

highest quality health care. Sutter Solano Medical Center is part of the Sutter Health network providing emergency and pediatric care, which includes the Sutter Solano Cancer Center. The St. Helena Hospital Center for Behavioral Health is a 61 bed facility offering structured therapeutic mental health programs. The Touro University Medical Center and outpatient medical facility offers pediatric, adult and geriatric care.

The newly restored Empress Theater is a historic, elegant, mixed-use performing arts center located in downtown Vallejo. The Vallejo Symphony Orchestra has performed continuously for over 75 years. The Vallejo Music Theater is a community theater company producing two musicals a season in addition to a large concert or cabaret series.

Vallejo is home to Six Flags Discovery Kingdom, America's only combination marine life, wildlife and wild rides theme park, located on 135 acres in the center of the city. The Greater Vallejo Recreation District oversees Vallejo's 36 parks, 4 community centers, Olympic size pool and offers a wide range of activities to residents.
