CITY'S LAST BEST AND FINAL PROPOSAL TO VPOA ON 9/20/13

PREAMBLE

THIS AGREEMENT made and entered into at Vallejo, California, by and between the City of Vallejo, a municipal corporation, hereinafter referred to as the "City" and the Vallejo Police Officers Association, a California Corporation, after referred to as the "Association", is intended to define the wages, hours, and working conditions of that group of employees hereinafter identified during the term hereof and upon ratification and approval by the City Council of the City of Vallejo.

SECTION 1: RECOGNITION

- A. The City recognizes the Vallejo Police Officers Association as the representative in matters pertaining to wages, hours and other conditions of employment for those employees within the representation unit composed of the classified uniformed positions of Police Officer, Corporal, Sergeant, and Lieutenant.
- B. The City agrees that it will not seek removal of listed classifications of Police Officer, ~~Colonel~~ Corporal, Sergeant, ~~and~~ Lieutenant, and Captain from the representation unit, nor petition for their exemption from the competitive civil service.

SECTION 2: NO DISCRIMINATION

- A. There shall be no discrimination by the City of Vallejo in employment conditions or treatment of employees on the basis of race, religion, sex, age, creed, membership or non-membership in the Association, or participation in the activities of the Association.
- B. There shall be no discrimination by the Vallejo Police Officers Association in treatment of employees on the basis of race, religion, sex, age, creed, membership, participation or non-membership in the Association.
- C. The City and VPOA acknowledge the Americans with Disabilities Act of 1990 (ADA) which prohibits discrimination against disabled individuals in employment. Because the ADA requires accommodation for individuals protected under the Act, and because these accommodations must be determined on a case-by-case basis, the parties may disregard provisions of this Agreement in order for the City to avoid discrimination. VPOA recognizes that the City has a legal obligation to meet with the individual to be accommodated before any adjustment is made in working conditions. VPOA will be notified of the proposed accommodations prior to implementation by the City. Prior to disregarding any provision of this Agreement in order to undertake the required accommodations for an individual protected by the Act, the City will provide VPOA with written notice of its intent to disregard the provision, and will allow VPOA the opportunity to discuss options to disregard certain provisions of the Agreement.

CITY'S LAST BEST AND FINAL PROPOSAL TO VPOA ON 9/20/13

SECTION 3: DUES DEDUCTION

- A. Under written authority by an employee and approval by the President and Secretary-Treasurer of the Vallejo Police Officers' Association, the City agrees to remit, once each month from the accrued wages of each employee; after all other required deductions have been made, the sum certified as Association dues, fees and assessments and deliver the said sum to the Association Secretary-Treasurer. The amount authorized to be deducted may be changed by written request of the President of the Association at the commencement of each fiscal year.
- B. In the event that a dispute by an employee relative to dues deductions results in litigation against the City, the Union agrees to hold the City harmless and reimburse it for any costs and attorneys fees.

SECTION 4: HIRING

- A.——Whenever the City hires an employee, it will inform the employee as soon as possible of the terms and provisions of this Agreement. The City will notify the Association in writing of such employment, giving the name, date of hire and job classification of the new employee.

SECTION 5. PROBATIONARY PERIOD

- A. All new employees who enter the City service designated as "lateral entry" Police Officers, and who possess a State of California Police Officers Standards and Training (POST) Basic Certificate, shall serve a probationary period of twelve (12) months.
- B. All other new employees covered under this Agreement shall serve a probationary period of eighteen (18) months.
- C. During the probationary period, employees have no seniority rights, but they shall be subject to all of the other clauses of the Agreement. All employees who are retained beyond the probationary periods as defined in "A" and "B" above shall attain the status of a permanent employee and time spent in the probationary period shall be included when computing their seniority. An employee may be rejected by the City at any time during the probationary period.

SECTION 6: PROMOTIONS

- A. Promotions to classifications within the unit represented by the Vallejo Police Officers Association shall be made from the ranks, provided the candidate on the eligible list is qualified for the vacant position as determined solely by the Chief of Police in accordance with Civil Service Commission Rules and Regulations and the following Subsection.
 - 1. In the event that there are no names on a reserve or reemployment list in the classification to be filled, the names of all candidates on promotional Lists of Eligibles developed under Civil Service Rules and Regulations shall be certified by the Civil Service Commission to the Chief of Police. If

CITY'S LAST BEST AND FINAL PROPOSAL TO VPOA ON 9/20/13

fewer than three (3) names remain on the List **of Eligibles** the Chief may demand certification of at least three (3) names and examinations shall be conducted until at least three (3) names may be certified.

2. Once a promotional List of Eligibles has been certified by the Civil Service Commission to the Chief of Police, the Chief of Police shall recommend promotion to the appointing authority of the candidates on that list utilizing criteria to include the quality and diversity of the candidate's experience, raw Civil Service examination scores, relevant academic and vocational education, work attendance and productivity, and the candidate's understanding of the requirements of the classification within the Police Department.
- B. Vacancies in the exempt classification of Police Captain shall be filled from the ranks, provided that the candidate is qualified for the vacant position as determined solely by the appointing authority. All applications submitted will be evaluated by the appointing authority, and if there are not at least three (3) that are qualified, then an open recruitment may be conducted.
 - C. If an officer on a promotional eligibility list created under Civil Service rules is passed over in preference for someone with a lower standing on that list, he/she shall be given a written explanation of the reasons from the Chief of Police.
 - D. Each person receiving a promotional appointment shall serve a probationary period in such promotional position of twelve (12) months, and if at the end of said period such probationer has not been removed from the promotional position, his/her appointment shall be deemed complete. Any probationer may be rejected by the City at any time during the probationary period without right of appeal, or hearing in any manner. When a person on promotion probation is removed therefrom, he/she shall be reinstated to the position from which he/she was promoted unless he/she is discharged in accordance with applicable law.
 - E. Any person receiving a provisional promotion to a classification within the unit represented by the Association who subsequently receives the next regular promotion to that same classification shall receive credit for all time worked within that provisional classification towards the completion of his/her twelve (12) month probationary period and the receipt of his/her next scheduled step increase.
 1. A provisional promotion will be differentiated from an out of classification assignment as covered In Section 36(A), in that a provisional promotion shall exist for a longer period of time than is required to fill a temporary and unexpected vacancy caused by a regular supervisor's absence due to illness, vacation or regular days off.
 2. Employees may serve in provisional appointments for a maximum of nine (9) months. Employees promoted to a higher position after serving as provisional employees in that position shall not receive credit for such provisional service if sixty (60) days or more have elapsed between the end of their provisional appointment and their appointment to the promotional position.

CITY'S LAST BEST AND FINAL PROPOSAL TO VPOA ON 9/20/13

- F. The Department shall provide to applicants for promotional positions a generic study guide relating to basic source materials. Nothing in this section requires the Department to include in the study guide references to specific code sections, chapters or orders.
- G. Employees applying for promotional examinations within the Department shall receive a notice at least three (3) months in advance of the dates on which each general phase of the examination shall be conducted. If the Department determines to change the date of any phase of the examination, it shall provide written notice of the new date at least fourteen (14) calendar days in advance of the new date.
- H. To be eligible for promotion or to be considered for promotion, an employee must have received at least an acceptable evaluation on all evaluation dimensions on the most recent performance evaluation preceding the promotional exam, or have satisfactorily completed a Performance Improvement Plan. The provisions of Section 6H may be waived at the discretion of the Chief of Police.

SECTION 7: SENIORITY

- A. Seniority Defined
 - 1. Classification Seniority is defined as the period of most recent continuous service in the employee's classification. Employees shall not attain classification seniority until completion of the probationary period in that classification, at which time classification seniority shall relate back to the most recent date of appointment to such classification. Demotion for any reason shall not result in any loss of seniority in the previous classification.
 - 2. Where used in this Section, Patrol Division shall mean the Patrol Division of the Operations Bureau of the Vallejo Police Department.
- B. Seniority Credit
 - 1. In computing seniority, credit shall be given for all classified service in the Police Department except that a resignation or discharge shall be considered a break in service and seniority credit shall not be given for any service rendered prior to that break.

 - b. Seniority credits for periods of absence from one class in order to temporarily fill in another position shall be credited in the former position.

 - d. When two or more employees are hired on the same date, in the position of police officer, seniority shall be determined by the date of the original police officer employment application with the City.

Thereafter, employees shall not be permitted to question the list as posted.

D. Time Assignments

1. All employees in the classifications of Police Officer, Corporal, Sergeant and Lieutenant while assigned to the Patrol Division at the discretion of the Chief of Police shall select annually in November for a one (1) year period, their preferred team assignment and days off on the basis of their classification seniority.
2. Nothing contained herein shall limit the discretion of the Chief of Police to determine the number of employees to be assigned to each patrol team, division, unit, bureau or specialized position, or the discretion of the Chief of Police to assign and transfer employees to meet the requirements of the Department. A total of five (5) specialized officers positions will be available each year from within all of the Police Department specialized assignments determined by the Chief of Police. It is understood and agreed that at least one (1) officer position must be made available within the specialized assignments determined by the Chief of Police which contain three (3) or more sworn personnel not less than once every three (3) years. Officers with two (2) or more years of Vallejo Police Department experience shall be considered first for a specialized assignment. Once an officer is rotated out of a specialized position, he/she shall remain in the Patrol Division for at least one (1) year prior to another specialized position unless an exception is granted by the Chief of Police.
3. In the event it becomes necessary, in the opinion of the Chief of Police, to transfer a Lieutenant, Sergeant, Corporal, or Police Officer from one team to another, other than the team designated as a relief team, it shall be a volunteer or it will be the officer with the least seniority on the team from which the transfer is to be made.

 4. One Patrol Division Sergeant or Lieutenant per watch shall be on regular assigned duty at all times.
 5. One Lieutenant or Sergeant per squad can be off on vacation at one time. In cases where a Sergeant's work hours overlap with more than one lieutenant, that sergeant will be grouped with the Lieutenant with the most overlapping hours.
 6. For the Patrol Division, two corporals or officers per squad shall be allowed off on vacation at any time. Squad supervisors may deviate from this provision in allowing additional personnel off in accordance with procedures established by the Chief of Police.
- F. Seniority shall apply for the selection of beats according to procedures established by the Chief of Police. ~~SECTION 50 PAYMENT IN LIEU OF BANKRUPTCY CLAIM AND MEANS OF SATISFYING CLAIMS UNDER CHAPTER 9 BANKRUPTCY~~

- A. ~~The City shall pay to the VPOA for the benefit of its members \$333,333 on July 1, 2012; \$333,333 on July 1, 2013; and \$333,334 on July 1, 2014 (the "Required Payments") whether or not the City's Chapter 9 bankruptcy is dismissed or results in a confirmed plan of arrangement, all in compensation for the modification of VPOA salaries hereunder and under the Pendency Plan prior to the adoption of this Agreement.~~
- B. ~~VPOA contends that its members would have claims in the City's bankruptcy case on account of the City's imposition of the Pendency Plan, or the changes under this Agreement from the Pre-existing Labor Agreement (collectively, "Contract Modification Claims"). While the City agrees that VPOA members would have certain Contract Modification Claims, the parties agree that it is unnecessary to attempt to quantify them in light of this Agreement. In the event the Contract Modification Claims must be calculated and allowed, such determination shall be made by the Bankruptcy Court.~~
- C. ~~Subject to Paragraph D below, the Contract Modification Claims shall be satisfied in full by payment of the Required Payments regardless of whether a plan of arrangement calls for different or additional payment of the claims or otherwise similar claims, and that the City may satisfy its obligation to pay the Contract Modification Claims by paying the Required Payments in compliance with Section A above.~~
- D. ~~Notwithstanding Paragraph C, in the event that the City files a second bankruptcy case prior to June 30, 2012, or further modifies this Agreement during its current bankruptcy case or imposes any changes to this Agreement or to terms and conditions of employment for members of the VPOA bargaining unit under its plan of arrangement, then any and all claims of the VPOA and all bargaining unit members arising during fiscal years 2008/09 and 2009/10 shall be calculated based on the terms of the 2000-2010 POA MOU as constituted by the Pre-existing Labor Agreement.~~
- E. ~~By way of clarification and to avoid doubt, the Contract Modification Claims that are to be satisfied as provided in sections A, B, and C above do not include (1) any claims arising from future modifications of the Pendency Plan after signing this Agreement but prior to the effective date of this Agreement after ratification by the members of the VPOA and adoption by the City Council; (2) claims of particular injury to any member represented by the VPOA (including, without limitation, workers' compensation claims for injury or wrongful termination) not caused by the modification of the Pre-existing Labor Agreement by the Pendency~~

CITY'S LAST BEST AND FINAL PROPOSAL TO VPOA ON 9/20/13

~~Plan or this Agreement. Any such excluded claims are retained by the affected members and are not satisfied by the Required Payments.~~

- ~~F. In connection with any extension or renegotiation of this Agreement for 2012-13, 2013-14, and 2014-15, the Required Payment amounts paid in those respective years (unless then modified or waived under such a subsequent agreement) shall be considered part of the total value of the salary and benefits package in those fiscal years during which the payments are made, by the parties and by the mediator or arbitrator when future contract terms are determined by bargaining or after impasse.~~
- ~~G. The City warrants that in its bankruptcy case it will not seek to unilaterally impose any further changes in terms or conditions of employment within the scope of bargaining on the VPOA or its bargaining unit members. In the event that the City makes such unilateral changes in terms or conditions of employment within the scope of bargaining, any claims associated with those changes will be treated and allowed as administrative claims in the bankruptcy case and in any plan of adjustment proposed by the City, and the City agrees in advance that the automatic stay does not apply to prevent the VPOA or the members of its bargaining unit to bring a resulting grievance and have that grievance determined in accordance with this Agreement.~~
- ~~H. This agreement shall not be affected by the length of the City's pending bankruptcy case or by any negotiations or agreements between the City and its other creditors, including other employee organizations and their members. Nor shall this agreement be affected by any plan of adjustment proposed by the City, no matter what the treatment of other creditors in such plan.~~
- ~~I. The City agrees that VPOA has standing to object to any plan of adjustment to the extent such plan of adjustment is inconsistent with any provision of this Agreement. The City further agrees to promptly communicate with VPOA with respect to its negotiations with other creditors concerning any plan of adjustment; provided, however, that such agreement does not supersede confidentiality provisions reasonably imposed by the City or the other parties to such negotiations.~~
- ~~J. In the event that this Agreement has been approved by the City Council and ratified by VPOA prior to the hearing on the City's motion for approval of the rejection of the VPOA collective bargaining agreement, the City will withdraw such motion. Upon approval of this agreement by the City Council and ratification by VPOA, VPOA will withdraw as a party from its pending appeal from the order for relief.~~
