

# Charitable Donations

As a 501C3 Non-Profit organization our ability to provide our much needed services rely for the most part on the generous contributions of individuals, large and small businesses, grants through private organizations and by agencies of the US government. We actively solicit your generous support. Donations can be mailed to A Place-2-Live, Inc at 301 Georgia St Ste 221, Vallejo CA 94590 or delivered in person.

You are also welcome to send your donations through [www.a-place-2-live.org](http://www.a-place-2-live.org) using Paypal or Just Give.

Volunteers are always needed and welcome.

**Our goal** is to locate and house families in emergency situations. And to ensure that they will be placed in safe and secure housing.

# Our Mission

A Place-2-Live, Inc., is a nonprofit organization that serves all communities needing our assistance. We provide residential placement services for low to moderate-income families and life skills training helping our clients to become self-sufficient over time. Our clients are individuals and families who are facing homelessness or homeless because of severe credit problems, history of evictions or lack of affordable housing.

## Housing Services:

- Emergency Housing
- Permanent Placement
- Relocation
- Rental Assistance
- Rental Share
- Shelter
- Transitional Housing

## Education Package:

- Credit Counseling
- Financial Literacy
- Housekeeping
- Life Skills
- Money Management
- Tenant Rights/Responsibilities

## CLIENTELE

Homelessness has always been a serious problem in our communities due to the high cost of living and the shortage of 'affordable housing'. All of our services are geared for low to moderate-income families with low income and financial challenges, such as fixed incomes, poor credit and evictions. Our program operates on a basis of seeking permanent housing for clients.

- INDIVIDUALS
- EMANCIPATED YOUTH
- FAMILIES
- FIRST TIME RENTERS
- FIXED INCOMES
- MILITARY
- FORECLOSURE
- SINGLE PARENTS
- SENIORS
- VETERANS

## GOAL

To decrease homelessness and help disenfranchised people become self-sufficient and provide responsible members in our communities.

"A Place-2-Live clients have negative credit histories or evictions on their rental record. Having either strike against them makes it difficult, sometimes impossible, to get a landlord to rent to them, Lewis said. So A Place To Live negotiates with the landlords, offering a guaranteed rent payment on a monthly or yearly basis."
