VPD Case # 09-11354

On August 9, 2009 at approximately 7:00 PM the Vallejo Police Department responded to the report of two armed subjects at Vallejo Middle School located at 1347 Amador St.

Upon arrival officers located the two subjects who fled on foot. After a brief foot chase, two 15 year old males were arrested and found in possession of a rifle and a handgun. Due to their age, their names are not being released.

It is believed that the guns were stolen during a residential burglary. That case remains under investigation.

The Vallejo Police Department would like to thank and commend the anonymous citizens that called and made this arrest possible.
