False Alarm Awareness Class Scheduled

The Vallejo Municipal Code imposes monetary penalties on owners of alarm systems causing the Police Department to respond to false alarms.

The Code also provides for the waiver of one false alarm fee for those owners completing a False Alarm Awareness Class. This waiver may be obtained only once every 12 months.

This class presents an opportunity to learn why false alarms present such a challenge and to cancel one outstanding penalty.

The Police Department is conducting the next class on Saturday April 4, 2009 from 12:00 p.m. to 2:00 p.m. The class will be held at the Vallejo Police Department, 111 Amador St, Vallejo in the Training Classroom.

Reservations may be made on-line at www.vallejopd.com or by telephoning 707-648-4321, asking for the False Alarm Class and leaving a message. Reservations will be taken until March 27, 2009 at 5:00 p.m. or until the class is full.
