ST VINCENT'S DISTRICT & ARCHITECTURAL HERITAGE DISTRICT RESIDENTIAL FENCE STANDARDS

10' Sideyard Setback
3½' high fence

Fencing is to be installed on the property line. In residential zones, however, when the back of the sidewalk is not the property line, the Chief of Planning may allow the setback to be measured from the inside of the sidewalk. If there is no sidewalk, the Chief of Planning

in conjunction with the Public Works Department, may allow the setback to be measured from the future location of the sidewalk.
