### **Officer Involved Shooting with One Suspect shot Non Life Threatening Injury**

-

On Saturday morning, August 24, 2013, at 0047 hours, an armed robbery occurred outside of 905 Lincoln Road East, the Coconut Grove Bar. That robbery involved three suspects, one of which was armed with a chrome revolver as described by the victim.. Officers began to circulate the area and focused on the last know direction of travel which was toward Springs Road.

At 0134 hours, uniformed officers observed three subjects standing in the parking lot toward the rear of the Blue Rock Inn, located at 2015 Springs Road, all of which matched the clothing description given by the victim in the above described robbery.

As officers approached the three subjects, one of them fled toward the rear of the bar while reaching into his waist-band and produced a silver aluminum object while turning toward the single officer who was in active pursuit. The officer, in fear for his life, withdrew his duty weapon and discharged one round striking the suspect once. The suspect sustained one non-life threatening gunshot wound and is expected to make a full recovery. He was taken to a local hospital and treated for his wounds where he is being detained. The suspect was also wanted for a felony warrant out of SFPD.

As a result of this Officer Involved Shooting, the Vallejo Police Department invoked the Solano County Fatal Incident Protocol. The incident is being jointly investigated by the Solano County District Attorney's Office and the Vallejo Police Department. The involved officer has been placed on administrative leave in accordance with department procedure. The police officer was not injured.
